ORDER NO.

SUBJECT:

DOCKET NO. 2009-489-E - Application of South Carolina Electric & Gas Company for Increases and Adjustments in Electric Rate Schedules and Tariffs - Discuss with the Commission the Return in Opposition and Objection of South Carolina Electric & Gas Company to the Petition to Intervene Filed by Joseph Wojcicki.

COMMISSION ACTION:

I move that we sustain the objection of SCE&G, and deny Mr. Joe's Petition to Intervene in this case. The law in South Carolina is that a party must have a "personal stake" in the subject matter of the case before he has standing to present his own case as an intervenor. In the present case, Mr. Joe is not an SCE&G ratepayer, nor does he state any other grounds in any of his documents to show that he has a reasonable connection to this case. Accordingly, Mr. Joe fails the "personal stake" test. Once again, I reluctantly move that we sustain SCE&G's objection and deny the Petition to Intervene.
